### NOTES

A) These dives are recommended for New Club Members doing their first dive with the Club and also for Students with their Instructors who are candidates for PADI Advanced Open Water Certification (or equivalent) or higher certification. (The Sunday Dive Club is NOT a teaching or certifying organization. All instruction is entirely independent of the Club.)

B) For these dives you **must** have Advanced Nitrox - Decompression Procedures training and experience in addition to AOW certification.

C) The Sunday Dive Club dives together with LIDA – The Long Island Divers Association. Always a fun day!! The wreck will be announced at a future date and the depth will be less than 100 feet.

D) Possible dives to make up for any dives cancelled due to weather or we may just extend the season ☺
